Subject: Aquatic Lands Easement No. 51-045730

Dear Mr. Williams:

The Department of Natural Resources (DNR) is performing an audit of our rights-of-way and easement agreements for uses of state owned aquatic lands. Enclosed is the easement and amendments to the easement which include the legal description of the property in question and the type of use currently listed as issued to you in our files.

To help us update our files, please tell us if you are still using the referenced property, for the purpose of: a sanitary sewer line, and provide us with a name, phone number, and address of the person responsible for management of this agreement.

If you are no longer using this property, or if our records are otherwise outdated (corporate name change, transfer of property interest, etc.) please provide us with the information necessary to correct our records.

Thank you for your assistance. Please call me at (206) 949-1740, or email me at lindie.schmidt@dnr.wa.gov if you have any questions.

Sincerely,

Lindie Schmidt, Natural Resource Specialist
